Spacecraft Requirements, text and rationales Revision: (None), Branch: (None)

Authors

April 8, 2021

Table of Contents:

Requirement Flow
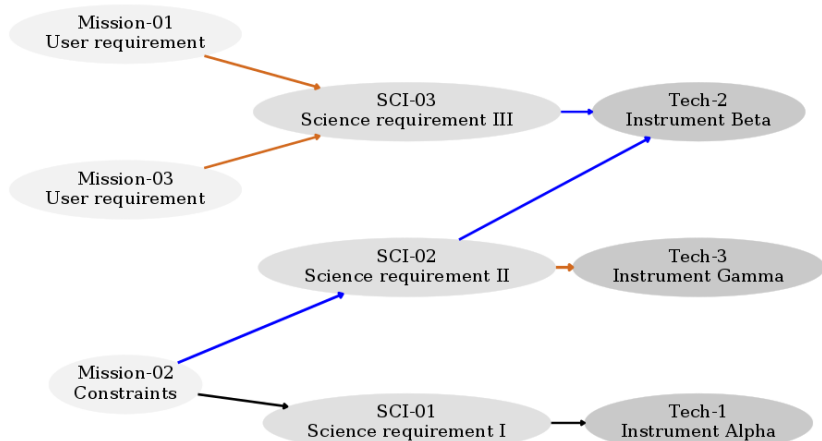

User requirement
Mission level requirement A
Child links: SCI-03

Constraints
Mission level requirement B
Child links: SCI-01, SCI-02

1 Mission-03

User requirement
Mission level requirement C
Child links: SCI-03

1 SCI-01

Science requirement I
Mission shall be able to perform example measurement one
Parent links: Mission-02
Child links: Tech-1

Science requirement II
Mission shall be able to perform example measurement two
Parent links: Mission-02
Child links: Tech-2, Tech-3

Science requirement III
Mission shall be able to perform example measurement three
Parent links: Mission-01, Mission-03
Child links: Tech-2

Instrument Alpha
Technical instrument requirement Alpha
Parent links: SCI-01

Instrument Beta
Technical instrument requirement Beta
Parent links: SCI-02, SCI-03

Instrument Gamma
Technical instrument requirement Gamma
Parent links: SCI-02
